UP CLOSE

When Evon isn't at Goldenwater, you can find her at the local badminton courts or planning her next travel adventure. She has travelled extensively throughout Asia. Her favourite destination is Seoul, in South Korea, where she's been six times.

I came to Goldenwater as Client Support Manager in June 2017, and in that time, I've built a deep connection with the rest of the team and our clients. My previous experience prior to joining the team, includes stints with two of the world's largest finance brands: American Express and HSBC. At both firms, I was responsible for maintaining service excellence to clients, as well as ensuring the accuracy of account ledgers. My analysis skills also helped me identify genuine savings for my operational areas, and improve business processes.

I am passionate about creating the best possible experience for customers, wherever they may be on their financial journey, and at Goldenwater, I get to use my skills to meet the challenges we

address as a team, and further our clients' individual causes. I believe in working side by side with our clients to make sure they have all they need—need to hit their goals—from information to moral support.

Why Goldenwater?

One thing I've noticed at Goldenwater that sets it apart as one of the best places I've worked is the collaborative culture—not just among staff, but also between staff and clients. It's a truly positive environment that is rewarding to be part of.

Multi-talented

In addition to her many business talents, Evon speaks four languages: English, Mandarin, Cantonese, and Malay.

“I am passionate about creating the best possible experience for customers, wherever they may be on their financial journey.”
